New Cigarette Reduces Serious Risks to Your Health

Figure 3. The effect of the concentration of the polymer on the swelling ratio of the hydrogel.

A close-up photograph of a Marlboro Lights cigarette pack. The pack is white with the iconic red and white striped filter. The words "Marlboro" and "Lights" are printed in a large, bold, serif font across the top of the pack. A single cigarette is shown lying horizontally across the middle of the pack, with its tip pointing towards the left. The background is a dark, textured surface, possibly a wooden table, which adds a sense of depth and texture to the composition.
